25X1 9. [] Talked with Dr. Morgan, Chairman, House Foreign Affairs Committee, who was anxious that we be of some assistance to Mr. Zablocki in connection with Zablocki's desire to have discussions with senior Agency officials on the Sino-Soviet rift. Dr. Morgan was mindful of the Seiden request for the DCI to appear and indicated that an informal meeting with the Zablocki Subcommittee at the Agency to discuss the problem would satisfy Zablocki's needs and would not necessarily establish a precedent. Dr. Morgan specifically suggested on behalf of Mr. Zablocki a meeting this coming Thursday at ten o'clock and he requested that we could make necessary transportation and other arrangements. I indicated I would check into this and advise.

25X1 10. [] Talked with Al Westphal on the staff of House Foreign Affairs and learned that a bill was introduced today containing Foreign Service Act amendments for 1965. Mr. Westphal stated that this is a somewhat changed version of the State Department internally produced bill. (A copy of the State Department bill is in the office and is being made available to Personnel.) The bill introduced today deletes any reference to a time period for Foreign Service Reserve appointments.

25X1 11. [] Talked with Robert Michaels, House Appropriations Committee staff, as to possible hearing dates for the Agency budget. Michaels stated he has discussed this with the Chairman but no firm date has yet been made. However, the DOD appropriation bill is scheduled for mark up on either 25 or 26 April and the Chairman plans to hold the Agency budget hearings before this. 25X1
